4. PAD Category and Payment Type

Category: ☒ Business PAD **Payment Type:** ☒ Variable Amount

This is a Business PAD. The Payor confirms that this authorization is provided for business or commercial purposes and relates to amounts owing by the Payor to Mini Melts in connection with the Mini Melts freezer program, product deliveries, delivery fees, service charges, and related business transactions.

Triggering event. Each PAD will be triggered by the issuance of a Mini Melts invoice, delivery receipt, or account statement arising from a product delivery, a customer order, a freezer program charge, or another previously disclosed charge under the Payor's Mini Melts account. Debits are therefore made on a per-delivery, per-order, or as-invoiced basis.

Amount. Debits will vary based on the products delivered and the fees owing. Each debit will equal the amount shown on the corresponding Mini Melts invoice, delivery receipt, or account statement issued to the Payor, and will not exceed \$2,500 per debit unless the Payor has approved a higher amount in writing.

Additional charges. The Payor agrees that Mini Melts may also debit the account for any applicable NSF charges, returned payment fees, administrative fees, late payment charges, or other amounts owing under the Payor's Mini Melts account or related agreement, provided such amounts have been disclosed to the Payor. Any such charge will be debited as a separate PAD and will not be added to a re-presented PAD.

Returned payments. If a PAD is returned unpaid, Mini Melts may re-present that PAD once, within 30 calendar days, for the same amount as the original debit. Any NSF or returned payment fee will be invoiced or debited separately in accordance with the paragraph above.

5. Authorization

I/We authorize 1219871 Alberta Ltd. o/a Mini Melts of Canada to debit the bank account identified in Section 3 for amounts owing for Mini Melts ice cream and sorbet product deliveries, delivery fees, freezer program charges, service charges, NSF or returned payment charges, administrative fees, late payment charges, and other amounts owing under the Payor's Mini Melts account or related agreement, provided such amounts have been disclosed to the Payor.

The Payor authorizes Mini Melts and its financial institution to process debits using the banking information provided in Section 3, together with any VOID cheque, direct deposit form, or bank-issued account confirmation supplied by the Payor.

6. Waiver of Pre-Notification

WAIVER OF ADVANCE PRE-NOTIFICATION

Because the debit amounts vary, the Payor and Mini Melts mutually agree to waive the Payor's right to receive separate advance pre-notification of the amount and date of each PAD.

The Payor agrees that each Mini Melts invoice, delivery receipt, account statement, order confirmation, or other written notice issued to the Payor constitutes notice of the amount and timing of the applicable debit. Mini Melts may debit the account on or after the invoice date, delivery date, due date, or other payment date stated on that invoice, receipt, statement, or order confirmation.

7. Waiver of Confirmation Period

WAIVER OF THE 10-DAY CONFIRMATION PERIOD

The Payor waives the requirement that Mini Melts provide confirmation of this PAD Agreement at least 10 calendar days before the first PAD is processed.

Mini Melts will provide or make available to the Payor a copy of this Agreement, or a confirmation of its material terms, no later than 5 calendar days following the date of the first PAD.

8. Cancellation and Termination

Cancellation by the Payor. I/We may revoke this authorization at any time by giving Mini Melts written notice at billing@minimelts.ca. Cancellation takes effect no later than 30 calendar days after Mini Melts receives the notice. Revoking this authorization does not terminate or otherwise affect any separate agreement for the supply of products or services between the Payor and Mini Melts, and does not relieve the Payor of amounts already owing.

Termination by Mini Melts. Mini Melts may terminate this PAD Agreement by giving the Payor at least 30 calendar days' written notice, unless a shorter period is agreed to by the Payor. Termination of this PAD Agreement does not terminate the Payor's obligation to pay amounts owing to Mini Melts.

To obtain a sample cancellation form, or for more information on my/our right to cancel a PAD Agreement, I/we may contact my/our financial institution or visit www.payments.ca.

9. Recourse Statement

You have certain recourse rights if any debit does not comply with this agreement. For example, you have the right to receive reimbursement for any debit that is not authorized or is not consistent with this PAD Agreement. To obtain more information on your recourse rights, contact your financial institution or visit www.payments.ca.

Reimbursement claims for Business PADs must be made within the timeframe set out in Payments Canada Rule H1, which is shorter than the period that applies to personal PADs. Contact your financial institution for the applicable deadline.

10. Confirmation and Signature

By signing below, the Payor confirms that the account information provided is accurate, that the person signing is authorized to bind the account, and that any other required account holders have consented to this authorization.

If the account requires more than one authorized signatory, all required signatories must sign this agreement. Where this agreement is completed electronically, each required signatory must complete the electronic signing process before the authorization takes effect.
